IN RE:	§	
FOREST PARK	§	CHAPTER 11
MEDICAL CENTER AT	§	
FRISCO, LLC	§	Case No. 15-41684
	§	
Debtor.¹	§	

**NOTES REGARDING SCHEDULES OF ASSETS AND
LIABILITIES AND STATEMENT OF FINANCIAL AFFAIRS**

On September 22, 2015 (the “Petition Date”), Forest Park Medical Center at Frisco, LLC filed voluntary petition for relief under chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”) in the United States Bankruptcy Court for the Eastern District of Texas (the “Bankruptcy Court”). The Debtor’s case is being administered under Case No. 15-41684.

With the assistance of its Bankruptcy Court approved advisors, the Debtor’s management prepared the annexed Schedules of Assets and Liabilities (the “Schedules”) and the Statement of Financial Affairs (the “SOFAs”) and together with the Schedules, the “Schedules and SOFAs”) pursuant to section 521 of the Bankruptcy Code and Rule 1007 of the Federal Rules of Bankruptcy Procedure. The Schedules and SOFAs are unaudited and do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States (“GAAP”), and they are they not intended to be fully reconciled to the financial statements.

Although the Debtor’s management has made every reasonable effort to ensure that the Schedules and SOFAs are accurate and complete based on information that was available to them at the time of preparation, subsequent information or discovery may result in material changes to these Schedules and SOFAs, and inadvertent errors or omissions may have occurred. Subsequent receipt of information or an audit may result in material changes in financial data requiring amendment of the Schedules and SOFAs.

¹The Debtor and the last four digits of its taxpayer identification numbers are as follows: Forest Park Medical Center at Frisco, LLC (3391).

These notes regarding the Debtor's Schedules and SOFAs (the "Notes") comprise an integral part of the Debtor's Schedules and SOFAs and should be referenced in connection with any review of the Schedules and SOFAs. Nothing contained in the Schedules and SOFAs shall constitute a waiver of any rights or claims of the Debtor against any third party, or in or with respect to any aspect of these chapter 11 cases.

1. Amendments. The Debtor reserve the right to amend or supplement the Schedules and SOFAs as necessary or appropriate.

2. Asset Presentation. Most assets and liabilities of the Debtor are shown on the basis of the book value in the Debtor's books and records, as of September 22, 2015, and not on the basis of current market values of such interest in property or liabilities. In certain instances, where book value is known to be materially inaccurate, the Debtor listed some assets and liabilities as having an "unknown" value. The Debtor reserve its right to amend or adjust the value of each asset or liability set forth herein.

3. Liabilities. The Debtor sought to allocate liabilities between the prepetition and postpetition periods based on the information and research that was conducted in connection with the preparation of the Schedules and SOFAs. As additional information becomes available and further research is conducted, the allocation of liabilities between prepetition and postpetition periods may change. The Debtor also reserve the right to change the allocation of liability to the extent additional information becomes available.

4. Causes of Action. Despite reasonable efforts, the Debtor may not have identified or set forth all of its causes of action against third parties as assets in its Schedules and SOFAs. The Debtor reserve any and all of its rights with respect to any causes of action it may have, and neither these Notes nor the Schedules and SOFAs shall be deemed a waiver of any such causes of action.

5. Claim Description. Any failure to designate a claim on the Debtor's Schedules or SOFAs as "disputed," "contingent" or "unliquidated" does not constitute an admission by the Debtor that such claim is not "disputed," "contingent" or "unliquidated." The Debtor reserve the right to dispute, or to assert offsets or defenses to, any claim reflected on its Schedules and SOFAs as to amount, liability, priority, secured or unsecured status, or classification, or to otherwise designate any claim as "disputed," "contingent" or "unliquidated" by filing and serving an appropriate amendment. The Debtor reserve the right to amend its Schedules or SOFAs as necessary or appropriate.

6. Property and Equipment. The Debtor has not completed a physical inventory of any of its owned equipment, merchandise or other physical assets and any information set forth in the Schedules and SOFAs may be over or understated. Further, nothing in the Schedules or SOFAs (including, without limitation, the failure to list leased property or equipment as owned property or equipment) is or shall be construed as an admission as to the determination of legal status of any lease (including whether any lease

is a true lease or financing arrangement), and the Debtor reserve all of its rights with respect to such issues.

7. Insurance. The Debtor maintains a variety of insurance policies including property, general liability, and workers' compensation policies and other employee-related policies. The Debtor's interest in these types of policies is limited to the amount of the premiums that the Debtor have prepaid, if any, as of Petition Date. To the extent the Debtor has made a determination of the amount of prepaid insurance premiums as of Petition Date such amounts are listed on Exhibit B-35. All policies are expected to remain in place through their expiration. In addition, the Debtor reserve all rights to refunds of any overpayments of premiums paid on its insurance policies.

8. Insiders. In the circumstances where the Bankruptcy Schedules require information regarding insiders or officers and directors, included herein are the Debtor's (a) directors (or persons in similar positions) and (b) officers. The listing of a party as an insider is not intended to be nor should it be construed as a legal characterization of such party as an insider and does not act as an admission of any fact, claim, right or defense and all such rights, claims and defenses are hereby expressly reserved. Further, employees have been included in this disclosure for informational purposes only and should not be deemed to be "insiders" in terms of control of the Debtor, management responsibilities or functions, decision-making or corporate authority or as otherwise defined by applicable law, including, without limitation, the federal securities laws, or with respect to any theories of liability or for any other purpose.

9. Schedule D—Creditors Holding Secured Claims. Except as specifically stated herein, real property lessors, utility companies and other parties which may hold security deposits have not been listed on Schedule D. The Debtor has not included on Schedule D all parties that may believe their claims are secured through setoff rights, deposits posted by, or on behalf of, the Debtor, or inchoate statutory lien rights. While reasonable efforts have been made, determination of the date upon which each claim in Schedule D was incurred or arose would be unduly and cost prohibitive, and therefore, the Debtor may not list a date for each claim listed on Schedule D.

10. Schedule E—Creditors Holding Unsecured Priority Claims. The listing of any claim on Schedule E does not constitute an admission by the Debtor that such claim is entitled to priority under section 507 of the Bankruptcy Code. The Debtor reserve the right to dispute the priority status of any claim on any basis. While reasonable efforts have been made, determination of the date upon which each claim in Schedule E was incurred or arose would be unduly burdensome and cost prohibitive, and therefore, the Debtor may not list a date for each claim listed on Schedule E. Additionally, the Debtor has not included employee-related priority claims that existed as of the Petition Date to the extent that such claims have been or are approved for payment pursuant to orders entered by the Bankruptcy Court.

11. Schedule F—Creditors Holding Unsecured Nonpriority Claims. The liabilities identified in Schedule F are derived from the Debtor's books and records, which

may or may not, in fact, be completely accurate, but they do represent a reasonable attempt by the Debtor to set forth its unsecured obligations. Accordingly, the actual amount of claims against the Debtor may vary from the represented liabilities. Parties in interest should not accept that the listed liabilities necessarily reflect the correct amount of any unsecured creditor's allowed claims or the correct amount of all unsecured claims. Similarly, parties in interest should not anticipate that recoveries in these cases will reflect the relationship of aggregate asset values and aggregate liabilities set forth in the Schedules and SOFAs. Parties in interest should consult their own professionals or advisors with respect to pursuing a claim. Although the Debtor and its professionals have generated financials the Debtor believe to be reasonable, actual liabilities (and assets) may deviate from the Schedules and SOFAs due to certain events that may occur throughout the duration of these chapter 11 cases.

The claims listed on Schedule F arose or were incurred on various dates. In certain instances, the date on which a claim arose may be unknown or subject to dispute. Although reasonable efforts have been made to determine the date upon which claims listed in Schedule F was incurred or arose, fixing that date for each claim in Schedule F would be unduly burdensome and cost prohibitive and, therefore, the Debtor may not have listed a date for each claim listed on Schedule F.

12. Schedule G—Executory Contracts. While effort has been made to ensure the accuracy of Schedule G, inadvertent errors or omissions may have occurred. Listing a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or unexpired lease or that such contract or agreement was in effect on the Petition Date or is valid or enforceable. The Debtor hereby reserve all of its rights to dispute the validity, status, or enforceability of any contracts, agreements, or leases set forth in Schedule G and to amend or supplement such Schedule as necessary. Certain of the leases and contracts listed on Schedule G may contain certain renewal options, guarantees of payment, options to purchase, rights of first refusal and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth separately on Schedule G. In addition, the Debtor may have entered into various other types of agreements in the ordinary course of its business, such as easements, right of way, subordination, nondisturbance agreements, supplemental agreements, amendments/letter agreements, title agreements and confidentiality agreements. Such documents are also not set forth in Schedule G.

The Debtor reserve all rights to dispute or challenge the characterization of the structure of any transaction or any document or instrument related to a creditor's claim. The Debtor may be party to certain agreements that have expired by their terms, but all parties continue to operate under the agreement. Out of an abundance of caution, the Debtor has listed such agreements on Schedule G. The Debtor's inclusion of such contracts or agreements on Schedule G is not an admission that such contract or agreement is an executory contract or unexpired lease.

Omission of a contract or agreement from Schedule G does not constitute an admission that such omitted contract or agreement is not an executory contract or unexpired

lease. The Debtor's rights under the Bankruptcy Code with respect to any such omitted contracts or agreements are not impaired by the omission.

In some cases, the same supplier or provider may appear multiple times in Schedule G. Multiple listings, if any, reflect distinct agreements between the Debtor and such supplier or provider. The listing of any contract on Schedule G does not constitute an admission by the Debtor as to the validity of any such contract. The Debtor reserve the right to dispute the effectiveness of any such contract listed on Schedule G or to amend Schedule G at any time to remove any contract.

13. Statement of Financial Affairs 19(d) – Financial Statements. The Debtor has undertaken reasonable efforts to identify all financial institutions, creditors and other parties to whom a financial statement was issued within two years immediately preceding the Petition Date. Considering, however, the number of such recipients and the possibility that such information may have been shared with parties without the Debtor's knowledge or consent, there is a possibility that certain recipients of the Debtor's financial statements have been inadvertently omitted from Statement 19d. Accordingly, the Debtor reserve its rights to subsequently supplement or amend Statement 19d upon discovery of additional information.

14. Specific Notes. These General Notes are in addition to the specific notes set forth in the individual Schedules and SOFAs. Disclosure of information in one Schedule, SOFA, exhibit, or continuation sheet even if incorrectly placed, shall be deemed to be disclosed in the correct Schedule, SOFA, exhibit or continuation sheet.

15. Totals. All totals that are included in the Schedules represent totals of the liquidated amounts for the individual schedule for which they are listed.

16. Unliquidated Claim Amounts. Claim amounts that could not be fairly quantified by the Debtor are scheduled as "unliquidated" or "unknown."

17. General Reservation of Rights. The Debtor specifically reserve the right to amend, modify, supply, correct, change or alter any part of its Schedules and SOFAs as and to the extent necessary as it deem appropriate.

SCHEDULE F - CREDITORS HOLDING UNSECURED NON-PRIORITY CLAIMS

State the name, mailing address, including zip code, and account number, if any, of all entities holding unsecured claims without priority against the Debtor or the property of the debtor, as of the date of filing of the petition. Do not include claims listed in Schedules D and E. If all creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H-Codebtors. If a joint petition is filed, state whether husband, wife, both of them or the marital community may be liable on each claim by placing an "H," "W," "J", or "C" in the column labeled "Husband, Wife, Joint, or Community."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Report the total of claims listed on each sheet in the box labeled "Subtotal" on each sheet. Report the total of all claims listed on this Schedule F in the box labeled "Total" on the last sheet of the completed schedule. Repeat this total also on the Summary of Schedules.

☐ Check this box if Debtor has no creditors holding unsecured claims to report on this Schedule F.
